AM/FM Stereo Cassette

The prestigious Audi designed Rothenburg... Electronically tuned, digital display... High power, low distortion, exceptional sensitivity and separation, feather-touch switches... Electronic memory for automatic tuning to 10 stations (5 AM and 5 FM)... fully compatible with rear stereo headphones.

Stereo Headphones

Private rear seat plug-in for maximum enjoyment of AM/FM Stereo radio or cassette tape listening... Full frequency range... "Sound Choice" system sensitivity and balance... Permits undisturbed conversations and concentration in the front.

Stereo Speakers

Renowned Blaupunkt high-compliance coaxial system... Extraordinary richness in amplification fidelity.

Floor Mats

Attractive, luxurious nylon Dura-Plush cut pile fitted sections... Protection for original carpeting against inclement weather and wear... Offered in a variety of harmonious colors.

Driving Lights or Fog Lights

Autobahn halogen clear or yellow fog lamps—Double peripheral vision with low, sweeping beams in haze, snow, or rain... Driving Lights—High intensity narrow white beam extending 1300 feet ahead on unfamiliar roads... Protective grilles optional.

Ski Rack

Custom designed and precisely fitted for Audi 5000S... Quickly and easily mounted and removed... Secure, reassuring transport for valuable ski equipment.

Wind Deflector

Stylish supplement to sun roof... Protects from direct flow of air and improves circulation... smoke color reduces sun's glare.

Air Compressor

Inflates tires effortlessly... Plugs into cigarette lighter socket... Easily stored... Also used for air mattresses, beach balls and many other purposes.

Tire Gauge

Highly accurate, quality instrument... Stainless steel construction... Large, easily read precision dial.

Cassette Holder

Contoured for Audi 5000S dash... Push button, spring activated selection of tapes... Posts hold reels securely, prevents unraveling... Easily removed for secure tape storage.
