

## The New Audi 100/200 Series.

Audi believes luxury without logic is not only self-indulgent, but self-defeating. That driver comfort should never come at the expense of driver control.

Case in point: the Audi 100/200 Series. Elegantly designed, unabashedly luxurious, yet thoroughly intelligent. With every admirable detail dedicated to putting you in command of the driving environment.

The beautifully restyled dashboard, for instance, arranges critical functions in concise control zones. Backlit instrumentation aids the weary eye. Power seats, mirrors, windows and door locks are a mere finger-flick away.

The orthopedic sport seats support rather than swallow. The electronic climate control "ramps up" gradually, as optimum temperature is achieved, so it soothes rather than startles. And the six-speaker stereo/cassette features private headphone jacks, so a passenger diversion doesn't become a driver distraction.

But as comforting as these thoughtful luxuries are, they are matched by something equally reassuring. The unprecedented protection of the Audi Advantage.

For example, for the first three years or 50,000 miles, the no-charge maintenance and limited warranty of the Audi Advantage\* means all repairs, all scheduled maintenance,

all routine oil changes are all paid for. The wheel alignments, the brake pads, the wiper blades, you name it. Even normal wear-and-tear is covered, except for tires and soft trim, of course.

In short, it pays for virtually everything but gasoline. (An owner still has a few responsibilities, after all, so there's some inevitable fine print about negligence and accidents.)

The Audi Advantage also offers 24-hour Roadside Assistance. A full decade of corrosion protection. And welcome

security at trade-in time. Thanks to a Guaranteed Resale Index that certifies trade-in value.

It is an impressive list. And no other German luxury sedan can match it.

So make plans to road-test the new Audi 100/200 Series. Because from the moment you settle into the driver's seat, you'll feel something get very comfortable. Your mind.

\*Your dealer will proudly share the details of Audi's new car and corrosion perforation limited warranties, and the other programs listed above. Roadside Assistance is provided by the U.S.A.C. Motoring Division, Inc. Guaranteed Resale Index excludes leases. Certain restrictions apply. Not all features described are included on every model.
